<b>VINEYARDS</b>	Our approach to vineyard sourcing takes full advantage of our long-standing relationships with some of the finest growers in Napa Valley. Within this, we identify and source extraordinary fruit available from among Napa Valley’s most coveted vineyard blocks– from the unique blend of volcanic soils and clay characteristic of Caldwell Vineyards in the southeastern Coombsville district; to the terraced hillsides of Howell Mountain, and Pritchard Hill, and the prized To Kalon vineyards of Oakville. Hence, while some wineries are tied to a specific estate/vineyard year after year; our approach allows us the flexibility to assess, and discerningly select grapes to our exacting standards – from among the full range of Napa Valley’s finest vineyard blocks.
