**Moone-Tsai 2012 Sonoma Coast Chardonnay**  
**Charles Heintz Vineyard**

**Tasting Notes**

Our 2012 Sonoma Coast Chardonnay is an exceptional example of the subtlety and balance that can be attained with prized fruit from this region renowned for remarkable chardonnay. The inviting nose conjures up a mélange of citrus, tropical fruit, and rich lees. In the mouth, the wine is teasingly reminiscent of a fine Chablis, albeit with layers of lemon bar, orange blossom and light minerality beckoning. Framed ever so delicately with prized French oak, this vibrant wine with its pleasing acidity, delicate texture and remarkable balance, should age with graceful refinement.

The Charles Heintz Vineyard is located in Occidental, near the rocky Sonoma County coastline. The 30-year-old Chardonnay vines are planted on deep, desirable Gold Ridge Sandy Loam top-soils – to which many attribute the unique varietal expression shown by Chardonnay and Pinot Noir grown in the Sonoma Coast and Russian River appellations. The nearby Pacific brings deep and cooling fog over the vineyard nightly during the growing season, encouraging patient ripening and the development of delicate flavors.

**Winemaker: Philippe Melka**, Bordeaux-bred (*Chateau Haut Brion, Petrus*) and— recently heralded by Robert Parker as one of the top nine winemakers in the world. *“Where possible, I will minimize winemaking techniques in the cellar so I can create a wine that tells the story of the vineyard. In the end, it must be about the fruit.”*
